In the cuttfield will be Blagriff, Capt. Eddie McKay and Jack Clabby. McKay and Clabby nead no introduction to the local fane as both have played ball in Norwich for the past few years and everyone knows them for real steady and keen hall players. Blagriff is a Bridgeport product who saw service with the Rosebuds and who has played independent ball in the western part of the state.

Petty, who made such a good impression here during the latter part of last season, will be seen again cavorting around the keystone sack. Petty was formerly with the Toronto team of the latterpational league.

Another new luminary seen on the infect will be Sark, who will take care of third. Sank played with the Rosebuds and was given a trial with the Bridge-port team of the Eastern league.

Operhelm, who played here last season, will be seen again in the short field. Operholm contributed largely to the success of last year's team by his heavy hitting and snappy fielding. The Grafton Knight team of Worcester made a strong bid for his services for the coming season but he had rather play with the restriction. There was a large attendance at the game, but a high wind affected the team playing to a great extent. Diffley of Norwich and Barber of Westerly were the heavy hitters of the game, each connecting for a two bagger.
